Mr Graham Keeping  
Perle Pty Limited  
Level 4, 9 – 13 Young Street  
Sydney NSW 2000

Dear Graham,

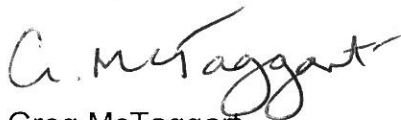

**Re: Level 3, Customs House, Sydney**

It has been just over a year since our Marketing, Legal, Finance and Information Systems teams moved into their new offices at Level 3 Customs House. These teams have now settled in and they are enjoying their new work environment at Customs House.

Please pass on my thanks to the Perle team that delivered the fitout for our new offices. The positive attitude and problem solving approach of the Perle team ensured that the work was completed within a very tight programme, despite the number of challenges that were imposed by working in an operational heritage building.

Thanks again for all of your efforts and the professional manner in which you approached this project.

Kind regards,

Greg McTaggart  
Project Director, Building Development Group
